I would like to thank all who attended the SOB Beach Weekend. We had a wonderful Crowd this year. I was glad to hear some of the comments that were made about the Weekend. We put our heart and soles in the preparation for this special events so People could enjoy what this is all about. Not competition, but fun and more fun We are all getting older and should enjoy what is left of our tender years to come. For those who supported us this year, we do appreciate it and we love you all. If it Weren't for you all, we would not have this fun today. We hope everyone enjoyed themselves and had as much fun and we did, but unfortunately, we worked the whole time And tried to make it fun for all of you. For those whom didn't attend this year, You missed a great party and lots of fun for all.
